### PERSONALITY

I am a Business Consultant that likes to try new things. I am a little set in my ways when it comes to eating food but if it sounds good I'll try it unless it's unhealthy! I do prefer to eat out of my kitchen as I am big into eating healthy so I don't eat out a lot.

### HEALTH

When it comes to my health and fitness I am always on top of things. I make sure to get to the gym at least 4 times a week and watch what I eat.
